Footnotes:

- 1 - Includes both approved and submitted-pending payment claims data for Drug Medi-Cal eligibles residing in the county and also includes those beneficiaries who were served in other counties. Denied claims are not included.
- 2 - Includes Drug Medi-Cal (DMC) approved and submitted-pending payment claims only for those whose aid codes indicate eligibility for DMC program funding. Denied claims are not included.
- 3 - Based upon the most recent data processing of DMC approved and submitted-pending payment claims and MEDS Monthly Extract File(MMEF) by DHCS for the reported Fiscal Year.
- 4 - County total number of yearly unduplicated Drug Medi-Cal eligibles is .
- 5 - The county approved and submitted pending claims data is partial if the county start date does not coincide with the claims report period (Jan-Dec), and because of lag time in claims submissions by the county.
- 6 - The comparison data in the like sized county and statewide columns are based upon claims data from active DMC-ODS counties. The widely differing start dates will impact claims data per beneficiary, which are based upon cumulative totals.
